# OUR HIGH QUALITY BRANDS

# FASSA BORTOLO

Fassa Bortolo is a historic name in the world of building, Italian leader and one of the world's best known companies. Care paid to quality and raw materials, research, innovation and the environment have always been at the basis of the company's vision, expressed through continuous commitment to the development of state-of-the-art solutions for the evolution of building.

The vast range of products is presented as an Integrated System that meets all of the industry's needs and adapts to any type of application, from small building work to large construction sites.

# ΠΙΣΤΟΠΟΙΗΣΗ 25 ΧΡΟΝΙΑ ΑΝΑΜΕΝΟΜΕΝΗΣ ΔΙΑΡΚΕΙΑΣ ΖΩΗΣ

## ELASTOTET

THE COMPANY PRODUCES A COMPLETE RANGE OF SEAL-ANTS, ADHESIVES (ACRYLIC, SILICONE, POLYURETHANE, HYBRID), ROOF COATINGS,

POLYURETHANE FOAMS, COLOR SPRAYS, ETC.

It was the first Greek company to specialize in both manufacturing and application of sealants, with a particular focus on 2-component grades. Until the mid-80's, the company's main objective was the production and the application of sealants for major public construction projects, such as the dam in Mornos and the irrigation networks of all the big rivers in Northern Greece.

# ◀ Rilux Gres

## GEAL

Porcelain Tiles are the flooring materials with the best TECHNICAL PERFORMANCES – AESTHETIC VARIETIES – LONG DURATION. By its nature, Porcelain Tiles are ECO-FRIENDLY materials and require an easy ordinary management. They obtain and keep such features further to:

### INDUSTRIAL FORMATION AND FINISHING

COMPLETION of protection during the final stage of Industrial Finishing

INFORMATION and CHEMICALS for cleaning after installation

Ordinary and special MAINTENANCE
